Sepsis Awareness Month

- What is everyone planning?
- Are you including any community activities?
- Games, puzzles, escape rooms, drawings, contests
- Food is always good!
- Tell stories!! Share data!!
- Highlighting survivors

- Sepsis Alliance has good resources!

Sepsis Awareness Month

Join Sepsis Alliance this September to learn more about how you can help better identify, diagnose, and treat this deadly condition in your practice. Mortality increases 4-9% for every hour that treatment is delayed. YOU can help save lives and limbs by staying up-to-date on current recommendations and guidelines around sepsis by joining us at the 5th Annual Sepsis Alliance Summit.

For the first time, Sepsis Alliance Summit is joining forces with Sepsis Forum to offer a third day focused on global viewpoints on sepsis.

Free continuing nursing education credits will be available!

Next Steps

- Regular schedule
4th Thursday of each month 1-2ET**
- **Next: October 24, 2024**
- **Topic: Meeting Sepsis Metrics- Bundle and Blood Culture Contamination**
- Speakers: TBA
